### Lesson-Sermon Services Told

"He that overcometh shall inherit all things; and I will be his God, and he shall be my son." This verse from Revelation (21:7) is the Golden Text of the Lesson-Sermon in all the Christian Science churches on Sunday. The subject of the sermon is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism. Denounced."

The main portion of the Lesson-Sermon tells of the rebuilding of the walls of Jerusalem by Nehemiah and of the overcoming of the efforts of the enemy trying to hinder the work both mentally and by threats of physical violence. A statement preceding the account is quoted from the beloved Apostle John: "Every one that doeth evil hateth the light. . . . But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God" (3:20,21).

"An apostle says that the Son of God (Christ) came to 'destroy the works of the devil,' says a correlative passage from 'Science and Health with Key

### SALVATION ARMY WEEK PROCLAIMED BY KNIGHT

Lauding the Salvation Army for "dynamic and vital contributions to the religious and moral life of the nation," Governor Goodwin J. Knight last week proclaimed the period May 27 to 27 as "Salvation Army Week," as part of national observances for the purpose of acquainting the public with the services of the 80-year-old religious and welfare organization.

In proclaiming the week of observance for the Salvation Army, Gov. Knight said as a result of the organization's splendid humanitarian programs, "millions of Americans have been provided hope, comfort, and material assistance without regard for their ancestral background or their creed."

The governor asked Californians to join him in recognizing the Army has rendered those in urgent need of spiritual and physical assistance.

"The principles of mercy, jus-

stice, and individual worth which guard the religious and welfare institutions sponsored by the Salvation Army have their roots deep in the heritage of our beloved Republic," the proclamation said.

Many Salvation Army institutions throughout Southern California will observe open house and will hold special services in commemoration of Salvation Army Week, according to Lt. Col. Frank Wilmer, Southern California divisional commander.
